Hi John,

I apologize, I'm afraid we have to postpone to next week. I'm trying to schedule another supervisor to this meeting as well so that the impact or adjustment needed to the landscape/irrigation can be put into consideration. What I have in mind is Tuesday (3/10) 10 AM. But let me re-confirm again on Monday.

Victor,

I have a early chamber meeting in the morning, but would be available after 10:00. Would that work with your schedule?

Would we meet at the Y corner?

John

Hi Don and John,

I was actually planning to go out to the west side of the site with a UFD superintendent on Monday. If you are available, we can probably meet at take a look at both east and west side and address all the needs.

Please let me know if Monday 10 AM works for you.

Thanks,
